It Is Alleged That Eight Other Infants Have Died in the House Recently.

It is alleged that within the last three years, eight other infants have been buried from this woman's house. The assertion that eight children have died in the house was made by Viola Campbell, 14 years old.

There is no evidence against Mrs. Campbell save that of the girl, but Police Inspector Wheeler believes the story, and says that the bodies of the children that have died will be exhumed in order to determine the number.

HIGHER THAN KING TO BE AN AMERICAN

So Says William J. Bryan in His Maryland Address Before 4000 People.

MOUNTAIN LAKE PARK, MD., Aug. 2.—In presence of an audience of 4,000 persons, W. J. Bryan this afternoon discussed "Problems of Government." Bryan prefaced the address by a denial that he again seeks to become the national standard-bearer of the Democratic party. He said "I hope you will give me credit with possessing a higher ambition than that to be had with the office of the president of the United States. I am too democratic to covet an ambition that only a few in one generation can share. I prefer the honor of being a private citizen an honor greater than that of king."
